- Acquire the latest legislative and regulatory changes and the impact on Medicare.
- Incorporate new tests/technologies into the diagnosis and risk assessment.
- Evaluate the relative effectiveness of diagnostic and treatment modalities.
- Describe ways in which social media and online information impacts patient perception of the care they receive from their doctor.
- Acquire the latest legislative and regulatory changes and the impact on Medicare.

Policy on Disclosure

It is the policy of CME Consultants to ensure balance, independence, objectivity and scientific rigor in all of its educational activities. In accordance with the policy of CME Consultants, faculty are asked to disclose any affiliation or financial interest that may affect the content of their presentation.

Faculty will disclose to attendees the nature of any significant financial relationships they have with the commercial companies providing support as well as the commercial manufacturers of products and/or the providers of services discussed in their presentations. They will also disclose if any pharmacological or medical procedures discussed are investigational or unapproved for use by the Food and Drug Administration (FDA).

Accreditation and CME credit

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Institute for Medical Quality/California Medical Association (IMQ/CMA) through the joint-sponsorship of CME Consultants and the California Rheumatology Alliance. CME Consultants is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

CME Consultants designates this live activity for a maximum of 75 AMA PRA Category I Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

In accordance with the Americans with Disability Act (ADA), please call (310) 297-9221 should you require special assistance.

Target audience

The presentational method for this activity will be Case Presentation and Learner Participation and Lecture with Q&A. This activity is geared to meet the educational requirements of Rheumatologists. All other rheumatology health professionals are invited and welcome to participate.

This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.
