Professor of Medicine; Jean S. Engleman
Distinguished Professor of Rheumatology,
University of California, San Francisco

Gary R. Feldman, MD
President, California Rheumatology Alliance,
Los Angeles, California

* Division of Rheumatology University of California,
San Francisco with support and participation of the
California Rheumatology Alliance.

CRA Medical & Scientific Meeting

This course is intended for rheumatologists and trainees in the rheumatic diseases, as well as orthopedists, internists, and other physicians with a special interest in rheumatology. Individuals interested in keeping up with “state of the art” changes in the field will benefit from lectures and discussions from clinical experts in rheumatology and subspecialists who provide multidisciplinary care with rheumatology.

The clinical reviews will focus on clinical assessments and new treatment approaches that must utilize new knowledge for successful translation into practice. Rheumatology is a fast-moving field in which there are changes in our understanding of biological mechanisms of disease and new treatment modalities being developed. These will be discussed in the context of management of patients with rheumatic disease. Lectures will provide participants with the latest information related to arthritis, lupus, and other rheumatologic conditions, with an additional focus on lung disease and pulmonary artery hypertension in rheumatologic diseases.

TARGET AUDIENCE

This program is intended to provide rheumatologists, physicians, health care professionals, and rheumatology fellows with the most current information and insights on treatment of rheumatic disease. Interaction between participants and faculty members is emphasized.

EDUCATIONAL OBJECTIVES

The overall objective of the course is to provide an update of current knowledge in rheumatology focusing on clinically important topics and patient care.

An attendee completing this course will be able to:

- Utilize newly approved treatments in rheumatology, appropriately based on the latest medical evidence;
- Evaluate new and future treatment approaches in lupus management;
- Apply current and experimental treatment approaches for refractory lupus nephritis;
- Apply new knowledge to the selection of biologic therapeutics in rheumatoid arthritis with regard to type of patient, stage of disease, dosage, and combination therapy;
- Implement current and developing advances in the treatment approach to systemic vasculitis;
- Integrate appropriate use and interpretation of MRI into the diagnosis and treatment of spondyloarthropathy patients;
- Improve care of lung disease in patients with rheumatic diseases utilizing an effective multidisciplinary approach through collaboration with pulmonary specialists;
- Discuss treatment options with patients with scleroderma lung disease;
- Recognize the connection between pulmonary artery hypertension (PAH) and specific rheumatic diseases, utilize screening for PAH, and discuss current treatment of PAH due to connective tissue disease;
- Recognize the rheumatic manifestations of cocaine and other illicit drugs.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **8.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA, Category 1 Credit™* issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA, Category 1 Credit™* from organizations accredited by the ACCME.

Pharmacy: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA, Category 1 Credit™*.

SATURDAY, MAY 21, 2016

7:00 am	<i>Registration and Breakfast</i>	
8:00	Welcome and Introduction	
8:15	Advances in the Treatment of SLE	Maria Dall'Era, MD
9:00	Advances in Rheumatoid Arthritis Treatment	Ronald Van Vollenhoven, MD
10:00	<i>Coffee Break</i>	
10:30	Advances in Diagnosis of Spondyloarthropathy	Walter P. Maksymowych, MD
11:30	Advances in the Treatment of Systemic Vasculitis	Sharon Chung, MD, MAS
12:30 pm	Honoring Lunch	
2:15	<i>Adjourn</i>	

SUNDAY, MAY 22, 2016

7:00 am	<i>Registration and Breakfast</i>	
8:00	Introduction and Overview of Program	
8:15	Approach to Rheumatology Patient with Lung Disease	Aryeh Fischer, MD
9:00	Treatment Options for Scleroderma Patient with Interstitial Lung Disease	Francesco Boin, MD
9:30	Treatment of Connective Tissue Disease with Pulmonary Arterial Hypertension	Van Selby, MD
10:00	Questions and Answers to the Panel	
10:15	<i>Coffee Break</i>	
10:45	DMHC Update	Mary Watanabe
11:45	Rheumatic Manifestations of Cocaine and Other Illicit Drugs	Jonathan Graf, MD
12:45 pm	Closing Statements	
1:00	<i>Adjourn</i>
