CRA Call to Action: Voice Your Support for AB 374 Limiting Step Therapy

Frustrated with step therapy and fail first policies? Voice your support for AB 374 today! CRA is a proud co-sponsor of [AB 374 \(Nazarian\)](#), which will prevent the use of step therapy in cases where it would cause an adverse reaction. In addition, AB 374 will allow a physician to request an override of step therapy if he or she believes the substituted medicine is not in the best interest of the patient. A public hearing is scheduled before the Senate Committee on Health on July 8. We encourage you to quickly and easily make your voice heard in support this important legislation by [personalizing the CRA draft letter](#).
