STRONG MEDICINE FOR AMERICA

Dear <Scheduler>,

As a constituent of <Congress Person's name> and a member of the American Academy of Family Physicians I would like to set up a meeting with <Congress Person's name>. I would like them to come visit my practice, where I will show them what it means to be a family physician and the value of primary care. I am available <write your availability>. My practice is located in <address>. *(Please add any pertinent details regarding your particular practice, i.e. how many people work there? How many patients you serve, etc.)*

If a site visit is not feasible at this time, I would love to come into the district office and meet with <Congress Person's name> or a member of the staff. You can reach me by email or call <phone number>.

I look forward to hearing from you,
<Name>
