

BOROUGH OF KENILWORTH
ORDINANCE 2018-02

**AN ORDINANCE REGULATING THE SALE OF CATS AND OR DOGS IN THE
BOROUGH OF KENILWORTH**

Explanation: Ordinance regulating the sale cats and or dogs from a pet shop or other business establishment, for the purpose of preventing inhumane breeding conditions, promoting community awareness of animal welfare and foster a more humane environment in the Borough.

WHEREAS, a significant number of puppies and kittens sold at pet shops come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for (“puppy mills” and “kitten mills,” respectively). According to The Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet shop dogs and cats come from puppy mills and kitten mills.

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; and lack of adequate exercise.

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet shops due to both a lack of education on the issue and misleading tactics of pet shops in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional costs on the consumer.

WHEREAS, current Federal, State and County regulations do not properly address the sale of puppy and kitten mill dogs and cats in pet shops.

WHEREAS, prohibiting the retail sale of puppies and kittens is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills, and is likely to increase demand for animals from animal shelters and rescue organizations.

WHEREAS, according to the New Jersey Department of Health Animal Intake and Disposition Survey, an unacceptable number of dogs and cats are euthanized in New Jersey animal shelters annually. Restricting the retail sale of puppies and kittens to only those that are sourced from animal shelters and rescue organizations will likely reduce pet overpopulation and thus the burden on such agencies and financial costs on local taxpayers; and

WHEREAS, across the country, thousands of independent pet shops as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these shops collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

WHEREAS, this governing body believes it is in the best interests of the Borough to adopt reasonable regulation to reduce costs to the Borough and its residents, protect the citizens of the Borough who may purchase cats or dogs from a pet shop or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare and foster a more humane environment in the Borough of Kenilworth.
