The Honorable Doug Lamborn
United States House of Representatives
2402 Rayburn House Office Building
Washington, D.C. 20515

On behalf of the Association of the United States Navy, we would like to pledge our support for H.R. 611, the VA Accountability First and Appeals Modernization Act of 2017.

Too often, misbehaving and even criminal employees have continued to receive a salary at taxpayers' expense. This strong piece of legislation expedites the discipline process to make it easier to demote or fire employees for misconduct.

Thank you for taking an active role in such an important issue to the Military and Veteran community by working to improve the lives and careers of those who served our great nation. Please feel free to contact me with any questions or concerns at 703-548-5800 or at michael.little@ausn.org.

Sincerely,

A handwritten signature in blue ink that reads "Michael Joseph Little". To the right of the signature, there is a handwritten note in blue ink: "ABH²(AW/Sea) USNR".
