The Honorable Dean Heller
United States Senate
324 Hart Senate Office Building
Washington, D.C. 20515

On behalf of the Association of the United States Navy, we would like to pledge our support for S. 116, a bill to amend title 10, United States code, to permit veterans who have a service-connected, permanent disability rated as total to travel on military aircraft in the same manner and to the same extent as retired members of the Armed Forces entitled to such travel.

This bill directs the Department of Defense to provide transportation on scheduled and unscheduled military flights within the continental United States and on scheduled overseas flights on a space-available basis for veterans with a service-connected, permanent disability.

In establishing space-available transportation priorities under the travel program, the DOD will provide transportation on the same basis as such transportation is provided to members of the Armed Forces entitled to retired or retainer pay.

Thank you for taking an active role in such an important issue to the Military and Veteran community by working to improve the lives and careers of those who served our great nation. Please feel free to contact me with any questions or concerns at 703-548-5800 or at michael.little@ausn.org.

Sincerely,

A handwritten signature in blue ink that reads "Michael Joseph Little" followed by "ABH²(AW/Sea)" and "USNR" below it.
