On behalf of the Association of the United States Navy, we would like to pledge our support for Senate Resolution 24, an original resolution authorizing expenditures by the Committee on Veterans' Affairs.

The expenses of the committee for the period March 1, 2017 through September 30, 2017 shall not exceed \$1,283,522, of which only \$2,900 can be expended for the procurement of services of individual consultants, and no more than \$1,750 can be used for the training of the professional staff of the committee. For fiscal year 2018, the committee spending from October 1, 2017 through September 30, 2018 will not exceed \$2,200,323.
