

# 2019-2020 Voting Record for NH House and Senate Members

Background on the bills and votes that impacted public education and educators last session

**N**EA and NEA-New Hampshire defend and improve the integrity of our profession by our legislative efforts in Concord and Washington. Attacks on education, opportunity and fairness are not ancient history – they happen every year, and last session was no different. Each year, NEA-New Hampshire provides a Voting Record to our members detailing each House and Senate member's vote on bills important to public school students and educators. Each bill included in this year's report card is described below:

## **HB2 - Increased Aid for School Districts in the State Budget.**

**NEA-NH Position:** Well-resourced neighborhood public schools inspire students' natural curiosity, imagination and love of learning, and are what makes America strong by nurturing tomorrow's inventors, thinkers, artists, and leaders. Each year we will strive to assure funding decisions always keep what's best for our students at their core. This year's budget contained record funding increases for public education and was fully supported by NEA-NH. **Result:** The budget passed both the House and Senate but was vetoed by Governor Sununu. A compromise budget was created specifying increases were one-time only expenditures, and was passed and signed into law.

**HB 622 - Prohibiting Collective Bargaining Agreements That Require Employees To Join Or Contribute To A Labor Union - so-called Right-to-Work legislation.** Unions are critically important in giving educators a voice that allows them to advocate to ensure every student has the opportunity to receive a good education that inspires natural curiosity and a desire to learn. **NEA-NH Position:** HB 622 should not pass. **Result:** The bill was defeated by the House by a vote of 214-135.

**HB 616 - Relative to a Cost of Living Adjustment for Retirees in the State Retirement System.** NEA-NH and Retired Educators Association, along with our partners in the NH Retirement Security Coalition successfully advocated for passage of the first permanent cost of living adjustment (COLA) for members of the NH Retirement System in nearly 10 years. HB 616 will grant a 1.5% COLA on the first \$50,000 of a member's or their beneficiary's pension. **Result:** The bill was passed by both the House and Senate and was signed into law by the Governor.

**SB 140 - Authorizes Local School Boards to Grant Academic Credit for Alternative, Extended Learning, and Work-based Programs - essentially repealing "Learn Everywhere."** Commissioner Edelblut's "Learn Everywhere" rules completely undercut the authority of school boards and communities to determine the qualification for credit-bearing courses, and the teacher credentialing process that the state administers. **NEA-NH Position:** We supported SB 140 because local school boards should determine whether to grant academic credit for alternative, extended learning, and work-based programs. **Result:** The House and Senate passed the bill but it was vetoed by Governor Sununu. The vote to override the veto failed.

**HB1321 - Relative to the Chartered Public School Joint Legislative Oversight Committee.** This bill established a joint legislative oversight committee to meet at least twice a year to review the chartered public school system and make recommendations for any legislative changes. The committee would submit a written report of its findings and recommendations to the president of the senate, the speaker of the house of representatives, and the chairperson of the house education committee and the senate education and workforce development committee by September 1 of each year. **NEA-NH Position:** NEA-NH is committed to great public schools for all students. As taxpayer-funded schools, charter schools must be held to the same safeguards and high standards of accountability, transparency and equity as public schools. We fully supported this bill. **Result:** The House passed the bill and the Senate tabled it due to the pandemic.

**HB 226 - Relative To The Renomination Of Teachers.** Back in 2011, the extremist Tea Party legislature under Speaker Bill O'Brien passed a bill changing the teacher probationary period in New Hampshire from 3 years to 5 years. Working with a bi-partisan group of legislators and the NH School Boards Association, NEA-NH worked with the senate to craft a reform to change the time period back to 3 years by tying renomination to achieving an experienced educator certificate. HB 226 as passed by the legislature would have ended the arbitrary and lengthy 5 year time period for teachers to remain in their probationary status using this reasonable standard. We fully supported the passage of this bill. **Result:** Despite the collaborative, common sense approach this bill

took, and gaining unanimous support in the senate, the governor vetoed this bill and the legislature was unable to override his veto.

**HB 1558 - Omnibus Bill That Included NEA-NH Language Relative to Violence in Schools.** After hearing from members across the state about this issue, NEA-NH successfully fought for the passage of legislation that created a committee to study the major problem of violence in our schools, particularly against educators. This bill requires school safety programs to contain a plan for responding to violent acts committed by students against employees, volunteers, and visitors. The bill also provides additional Department of Labor protections for employees around reporting injury and improves the reporting laws under reporting acts of violence under the safe school zone statute. **NEA-NH Position:** We fully supported the passage of this bill. **Result:** This bill was passed by both the House and Senate and signed into law by the Governor.

**HB 564 - Relative To Possession Of Firearms On School Property.** This bill specified that no person shall knowingly carry a firearm on public school property, including buildings, grounds, school buses, and vans. Any person who violates the provisions of this paragraph shall be guilty of a class A misdemeanor. It provided exemptions for anyone picking up or dropping off a student, provided the firearm remains in a motor vehicle. **NEA-NH Position:** Our kids and communities deserve a comprehensive approach to ending gun violence with common sense steps, including universal background checks, bans on assault rifles, a holistic approach to school safety instead of arming educators, and a renewed focus on mental health. We supported this bill. **Result:** The bill was vetoed by the Governor and the House was unable to override his veto.

**SJR1 (Senate Joint Resolution 1) - Prohibiting The Implementation Of Certain Rules of The Board Of Education Relating to the "Learn Everywhere" Program for High School Graduation Credit.** This resolution would prohibit the implementation of "Learn Everywhere" rules adopted by the state board of education. **NEA-NH Position:** Commissioner Edelblut is using "Learn Everywhere" to implement a statewide program that has no guardrails to ensure quality, rigor, and safety for students and no guidance from professional educators, putting the value of NH diplomas in jeopardy. Preventing the implementation of these rules and restoring the authority to set credit-bearing qualification to school boards and the communities they represent help ensure the integrity of our diplomas while providing our students with the innovative learning opportunities they deserve. We fully supported the passage of this resolution. **Result:** The bill passed 15-8 but was tabled in June when House Republicans refused to extend deadlines when the pandemic hit. The State Board of Education recently fully-implemented "Learn Everywhere" rules.

**SB 19 - Relative To The Privacy Of Certain Information Concerning Public Employees.** This bill requires that an employee's home address, personal email address, and home or mobile telephone numbers shall not be disclosed except to an employee organization for the purpose of collective bargaining. **NEA-NH Position:** This bill is consistent with current NEA-NH policy regarding member privacy and is a balanced approach to maintaining data security and allowing labor organizations to continue to organize new members. We supported passage of this bill. **Result:** This bill was vetoed by the Governor and the Senate was unable to override his veto.

## Public Schools are the Result of Valuing Children Over Profit.

As a society, we have long held that the value of public education was so great, that we would all share in its costs.

Elected officials have the power to create and fund laws that can help fulfill or break that promise. As you go about deciding who to elect, please remember just how valuable our public schools are and how much they need our support.

### Public Schools Instill and Nurture a Great Sense of Community.

Public schools are the heart of the communities they serve and do much more than just teach children. They host continuing education courses for adults, extracurricular activities, sporting events, academic clubs, open libraries, and invite the community for concerts, and seminars.

### Public Schools Offer the Most Educational Choices.

Our schools offer a wide variety of classes, including foreign languages, voc-tech, arts and humanities, independent studies, and college credit courses. In a public school, students receive services designed to meet their individual special and gifted education needs, and extended learning opportunities outside of the school walls overseen by a certified educator.

### Public Schools Are Fiscally Responsible

and spend their money more wisely than privatized schools because all spending decisions happen in public view.

### Public Schools Have A Deep Commitment to Students.

Charter and voucher schools don't have to accept every child. Public schools have a commitment to educating every child who lives in the district.

### You Own the Public School in Your Neighborhood.

Public schools are run by your friends, neighbors and co-workers and give parents and the community a real voice.

We hope you help elect leaders who know just how great our public schools are. Never underestimate your role in helping to defend and improve them.

And the first step is to VOTE.

## HOW TO VOTE IN 2020

In 2020, Any eligible voter may vote absentee in 2020 due to COVID-19. Check the box for COVID-19 concerns on your absentee ballot application to get your ballot! We are encouraging voters to request their absentee ballot NOW from their local clerk. Voters can request, fill out, and return their ballot in a **single trip at their clerk's office** once ballots are available, or, follow these steps to vote from home:

### FOLLOW THESE STEPS TO VOTE FROM HOME

- 1. Download your absentee ballot application form:**  
[www.voteinnh.org/absenteeapplication](http://www.voteinnh.org/absenteeapplication)
- 2. Complete your ballot application!** You can check the COVID box.
- 3. Return your application to your clerk's office!** You can send the application by email, fax, mail or drop it off in person. We are encouraging voters to request their absentee ballot NOW from your local clerk.
- 4. Track your ballot** [www.voteinnh.org/votetracker](http://www.voteinnh.org/votetracker)  
This tracker will show you when: (1) your application is received, (2) the ballot is mailed to you, and (3) your completed ballot is received by your clerk.
- 5. Vote!** Check your mail for your ballot. If you get your request in early, you should expect to get your ballot about 30 days before the election. Then VOTE!
- 6. Prepare your ballot for return.** Read the instructions carefully and don't forget to sign the inner envelope!
- 7. Return your ballot!** You can drop off your completed ballot at your clerk's office during business hours or at a staffed drop box. If you mail your ballot, you'll need one 55-cent first-class stamp, and we recommend mailing your completed ballot back by October 23rd. Make sure your mailed ballot **arrives** at your local clerk's office by 5 PM on Election Day.

Questions? Check out [www.voteinnh.org](http://www.voteinnh.org) or call 603-GO-N-VOTE

## When it comes to making laws in New Hampshire,

Already this year, the Governor has **vetoed**:

- \$138 million in additional education funding
- preserving local control of public education and awarding credit towards graduation
- stronger rights for you at work

**We need to hold our elected officials, including the Governor, accountable.**

### It's time to stop wishing, and take action.

Contribute to **The Apple Corps**, New Hampshire Educator's PAC

It is voluntary. Members decide how to disburse funds. It funds only state, not federal candidates.

- From any computer, go to <https://secure.actblue.com/contribute/page/applecorps> and contribute online, or
- Using your smartphone, scan the QR code and contribute online, or

#### Yes, I want to help! Sign me up for the Apple Corps!

Here is my contribution of:

\$10 (Apple Corps member)  \$25  \$50  \$100  Other \$\_\_\_\_\_

Make check payable to Apple Corps.

The following information is required by law for all contributions of \$25 or more:

Name \_\_\_\_\_ Address: \_\_\_\_\_

Occupation: \_\_\_\_\_ Local Association: \_\_\_\_\_

Send this form, along with your check, to:  
The Apple Corps, c/o NHEPAC, 9 South Spring Street, Concord, NH 03302-2213

- Complete the form and mail it with your check.

## NEA-NH Mission:

To advocate for education professionals and unite our members and the nation to fulfill the promise of public education, to break down the barriers to racial equity, and to prepare every student to succeed in a diverse and interdependent world.

## NEA-NH Vision:

A great public school for every student.

## NEA-NH Core Values:

NEA-NH believes every student, regardless of family income or place of residence, deserves a quality education. In pursuing our mission, we will focus the energy and resources of our 17,000 members on improving the quality of teaching, increasing student achievement and making schools safer, better places to learn.

**Equal Opportunity.** We believe public education is the gateway to opportunity. All students have the human and civil right to a quality public education that develops their potential, independence, and character.

**A Just Society.** We believe public education is vital to building respect for the worth, dignity, and equality of every individual in our diverse society.

**Democracy.** We believe public education is the cornerstone of our republic. Public education provides individuals with the skills to be involved, informed, and engaged in our representative democracy.

**Professionalism.** We believe that the expertise and judgment of education professionals are critical to student success. We maintain the highest professional standards, and we expect the status, compensation, and respect due all professionals.

**Partnership.** We believe partnerships with parents, families, communities, and other stakeholders are essential to quality public education and student success.

**Collective Action.** We believe individuals are strengthened when they work together for the common good. As education professionals, we improve both our professional status and the quality of public education when we unite and advocate collectively.

## NEA-NH's legislative priorities and candidate recommendations are rooted in our mission, vision, and core values.
